We praise the Lord for your generosity and support for Latino ministry, and for working together with us for the Kingdom of Heaven. Families have been blessed because you care for them. Thank you very much with all of my heart.

One of these families is full of New Life. We celebrated the wedding of Gustavo and Andrea last month. Gustavo is a new believer, and I had the privilege to preach to 100 people at their wedding.

At the Training Center, now meeting at a church in Mauston, the 8 students are busy learning about methods of teaching. This semester continues until January 5. I share the teaching role with Rubens Silva. The next semester will cover "Old Testament Overview." Please pray for the workers who are being trained because the harvest is great but the workers are few.

Every Monday it is my privilege to meet with 5 leaders at Nueva Vida to plan and pray for the ministry here. We had a good experience planning for a Thanksgiving outreach, and will be working together to plan for Christmas and New Years. Our goal is to plant a healthy church with a strong emphasis in evangelism. Pray for this group as we plan together.

This is what our ministry week looks like:

- Monday – Leaders Meeting
- Wednesday Night -- Bible Study
- Thursday -- English As a Second Language at Spring Church in Sun Prairie
- Friday – Worship Team Practice
- Saturday – Training Center in Mauston
- Sunday – Worship service at 3:00pm.

Our goal for Nueva Vida is to become a full member congregation of the Forest Lakes District. This will mean that we will be having a Charter Membership meeting by February 2008 in order to submit our application to the District Board.

We want to thank all of the churches and individuals who support us and this ministry. We are encouraged that giving has increased this year at the church, but we still need your support. Would you be able to give an end of the year gift to help us reach our budget? Send any support to:
